Summer is here!!! Yippee!!

We had a blast at the Heartland Summer Fun Palooza! See pictures on page 3!

Summer time means so much here in our great community Heartland! This week we kicked off the Heartland Summer Reading Program, Heartland youth who register log a minimum of 100 minutes per week and trade in their weekly log for cool prizes! We must thank our sponsors, Marco's Pizza, Taco Casa Forney, Pizza Hut, Shenaniganz's, Celebration Station, Chuck E Cheese, Sonic, Patrick Butler Lawn Care, Kwik Kar Crandall, Half Price Books, AMC Movie Theater to name a few.

The Heartland Summer Tutor Program begins the week of June 10th. Thank you so much to all the tutors who dedicated their time and talent to ensure the success of our Heartland youth.

June kicks off the Heartland Outdoor Summer Movie Series! This month's movie Peter Rabbit is sponsored by Highland Homes! See page 6 for details.

This month we welcome new residents with a move in date of January 2018—June 2018 with a complimentary champagne brunch on June 9th. Must be registered to attend.

Texas Master Gardeners class begins June 9th and will be conducted throughout the summer. See cover page for details and contact information.

I am so excited about the Adult only Heartland Stand Up Comedy Show! We will have three comedians from the Arlington Improv performing right here in our great community! This event is 21 and over only BYOB. See page 5 for details.

Parents be sure to register your teen for the Heartland Teen pool party! DJ Cone will be spinning the latest hits! Who will be named Heartland Best Dance Crew? Games, Prizes, Pizza and Cake! Sponsored by Marco's Pizza! See page 8 for details.

The Heartland Adult Basketball Pick Up Game meet-up group meets every Saturday & Sunday. Interested in joining your fellow adult neighbors for a pick up game of b-ball? See page 12 for details.

Heartland Adult Soccer Team! Whoa!!!! Adult Fun every Sunday at 6pm. Join us in sharpening your skills, strengthening your game or learn how to play. See page 11 for details and registration.

The Heartland Farmer's Market the 1st and 3rd Saturday of the month from 9am—1pm. There will be a lot of great healthy and natural items available at the market. Farm fresh vegetables, herbs, seasonal fruit, eggs, honey, all natural cookies, probiotic Kombucha, pickled veggies and much more.

THE NO SHOW POLICY IS IN EFFECT FOR ALL EVENTS & ACTIVITIES!

Only Residents In Good Standing Are Eligible For: Contests, Activities, Events and Classes

ALL EVENTS REQUIRE REGISTRATION! Please be sure to ALWAYS REGISTER for the events you plan to attend.

There have been several incidents already where we have addressed foul language and rough housing with the teenagers. The pool monitors are trying hard to ensure the rules are followed; however, they will not always hear what is being said. If you witness a violation of the rules or foul language please call it to the pool monitors attention. Please know foul language, disrespecting the pool monitors or other residents will not be tolerated. At the request of management, Crandall PD has been stopping by the pool several times a day and will continue to provide courtesy patrols to ensure that there are no problems. If Crandall PD has to escort a resident from the pool they will issue the offender a citation and the offender will be required to appear in court.

The pool monitors follow a 3 strike rule when requesting that you abide by the rules. On the 3rd request you will be asked to leave the pool. The pool monitors also have the authority to call Crandall PD or 911 if they deem a situation is unsafe for them to handle.

Please remember to take your pool card with you to the pool. Pool cards are required for entry to the pool. Proper swim attire is required at the pool,. Cotton, blue jean material, street clothes and diapers will not be allowed in the pool.

Management is here to assist with your concerns. Please do not hesitate to email me at dslama@ccmcnet.com or call 972-564-1511. Stay safe and enjoy the pool this summer.

NO SHOW

Heartland Lifestyle No Show Policy

It is important as a community, that we adhere to the No Show Policy. A lot of effort, time and money are expended to provide the Heartland residents with fun, family friendly activities. Food and event items are purchased based on the number of residents registered for an event. When notice is not provided due to the circumstance of no attendance, we suffer a loss of expenses. Not showing up for an event you rsvp'd for directly affects the budget and the community. Families on the waiting list could be afforded the opportunity to enjoy the events .

Heartland Events are growing and space is limited. We want as many Heartland Residents as possible to enjoy the fun and when registration has been filled, we start a waiting list. We understand that situations arise in which you may not be able to attend an event that you have rsvp'd for. So please be considerate of those who may be waiting to attend and cancel your reservation as soon as possible.

Residents who rsvp for an event, activity, etc. and do not attend will be placed on the No Show list. Any resident on the No Show list will not be able to rsvp to any events for 90 days from the no show event. It takes a simple phone call /email 972-564-1511 or bplested@ccmcnet.com to cancel your rsvp

Heartland Summer Movie Series

June 28th Peter Rabbit

July 12th Jumanji Welcome to the Jungle

August 9th Star Wars: The Last Jedi

Bring your blanket and lawn chairs

Heartland Park

Movies Begin at 8:30 pm!

Complimentary Popcorn

Student Spotlight

In The Spotlight This Month: Jasmine Mayfield

Jasmine Mayfield says Crandall High School gives you a lot of support. She loves attending CHS because of the support and tremendous amount of school pride. She says, the support is there for the sport teams, the band as well as in the academics. Although she enjoys relaxing. Jasmine enjoys all the events that occur in Heartland. She feels the events and activities help to bring the community together.

Jasmine list basketball as her favorite sport because she likes watching the action when teamwork comes together to get the ball in the net.

Jas says her most favorite thing to do is cheering on Friday nights for the CHS Pirates. The best part is when we win, and the band starts playing our school song. Cheerleaders, the drill team and the football team all sing along with students and fans. As a cheerleader since middle school, she says there is no better feeling than when you put on that uniform to CHEER ON YOUR TEAM!

Jas spends her volunteer time at three different district schools helping teachers prepare for the school year. And, she volunteers with the Crandall Police Department to help train on school shooter scenarios in the Shooter Workshop. Music must be upbeat for Jasmine. Bruno Mars is the Fav for the moment. But, the soothing soundtracks of Harry Potter are a close second.

When talking achievements, Jasmine says winning the 2018 Texas State 1st Place Award in the 4A-UIL Division for Spirit/Cheerleading was a major milestone. But, her most prized accomplishment has been retaining membership in The National Honor Society for the past three years. Jasmine, our hometown plans to attend Texas Tech University in the fall. She will pursue a degree in Physical Therapy with the long term goal to become an entrepreneur in the same field.

JASMINE MAYFIELD, Good luck in all your endeavors!

It is Yard of the Month Season! Sponsored by Calloways Nursery

Natural Bug Repellent

Ah summer: a time to slide into flip-flops and enjoy all that nature has to offer -- blue sky, fresh air, and ... mosquitoes!

A backyard barbecue isn't complete without those pesky bugs. That's where mosquito repellent comes into play.

Many conventional mosquito repellents contain the active ingredients DEET or picaridin. But there are more natural mosquito repellents available that may also work well.

Rosemary: Inexpensive and attractive way to repel mosquitoes. This hardy herb likes hot, dry weather which is perfect for North Texas. Simply take a few leaves, crush them in your hand and rub the oil essence on your skin.

Catnip: Catnip is a perennial and is easily grown from seeds. You need to crush the leaves of the catnip and apply to your skin the same as rosemary. While felines may find you intoxicating, mosquitoes won't.

Basil: The popular green herb has been used as an insect repellent either as a bouquet of stems arranged in a jar of water or as a potted plant. This plant has a penetrating aroma and is very flavorful in a wide range of recipes.

Lavender: You probably know that lavender is a gorgeous purple flowering plant with a soothing, calming scent. But, did you know that it is also a natural mosquito repellent? Grow it indoors near a sunny window, or outside in your garden or flower bed to keep the bugs away. While you're at it, make a delicious herbal tea, or use lavender to fill your home with a wonderful calming aroma.

Geranium: This beautiful flowering plant is a great choice for mosquito repellent. When planted in a hanging container, the colorful blooms will cascade over the side of the pot, providing a beautiful visual piece as well as a very useful bug repellent!

Become A Sponsor!

Sponsorships and Advertising

Interested in sponsoring Heartland community events? How about advertising in Heartland's Monthly News Bulletin. Without financial support of sponsors much of what we do would be limited. As Heartland continues to grow towards its goal of 7,000 homes we invite you to consider investing in our future.

Heartland is a premier, master-planned community developed by Huffines Communities located near beautiful Dallas. Since inception in August of 2006 over, 1700 families from all over the country have chosen Heartland as their home. We have several options which will provide great exposure for your business to thousands of families.

If you should have any further questions with regards to sponsorships, please do not hesitate to contact Bonita Plested Lifestyle Director at 972-564-1511 x21. Thank you and we look forward to partnering with you.

Timely Tips for June Gardeners

Timely Tips for June Gardeners from Calloway's and Cornelius

Summertime activities are getting into full swing and so is everything at Calloway's and Cornelius. Take advantage of the longer days by enjoying your gardening in the morning or evening when the temperature is not at its peak and it is more pleasant to be outside.

June weather means grass will be growing faster, too. Keep up with the mowing so you don't have to bag the clippings. That may mean mowing every 5 or 6 days instead of every 7 to 10 days. Letting the clippings fall back into the lawn recycles nutrients, but does not promote thatch. Mowing frequently at the correct height will promote a healthy, thick turf that is resistant to weeds.

As Spring rains subside and give way to drier days, apply supplemental water as needed. The rule of thumb is to water enough to wet the soil 5 to 6 inches deep. However, try not to water too much. Frequent surface watering promotes a shallow root system that is more susceptible to the stress of Summer heat.

The best way to conserve moisture in the landscape is by mulching. A 3 to 4 inch layer over the root zone retains moisture, keeps the soil cooler, and helps prevent weed seeds from germinating under shrubs, trees, and flowers. You'll find a variety of great mulches like Calloway's Shredded Hardwood Mulch and Calloway's Cedar Mulch.

June is a great month for colorful Summer annuals. In a sunny location try Marigolds, Salvia, Periwinkles, Dusty Miller, Crotons, and Lantana to add a pop of color. Caladiums, Coleus, Impatiens, and

Begonias are a great choice for shady areas.

Summer tropical plants are perfectly at home in our Texas heat and humidity. Stunning Hibiscus, Esperanza, and Plumbago are available at Calloway's and Cornelius. Plant them in the ground for quick growth or in pots or tubs so they can be moved indoors easily when temperatures fall.

TREE SERVICE

FRENCH DRAIN

CONCRETE WORK

It's **HOT** out there!

The heat of summer is upon us and our trees are **BEGGING** for water. Please take time to provide additional water to your trees.

Using your garden hose, water each tree for 10 minutes, twice per week to ensure that your trees make it through the summer.

If you notice your leaves turning brown already, then your tree is in need of water.

Should your tree die, you will be required to replace the dead tree with the appropriate type and size tree, and that can be more expensive than watering it two times per week!

Take your water hose and place it into the mulch. Once you notice that the water is beginning to pool, you know that your tree has received enough water.

If you are in doubt as to whether or not your tree is dead, you can reach out to Kaufman County Urban Forester, Ms. Pam Corder at pcorder@kaufmancounty.net and she will inspect your tree and provide you additional information on the best way to keep your trees happy and healthy!!
